

Statement regarding REACH and RoHS

Arvid Nilsson complies with the following legislation with respect to supplied articles.

REACH Regulation 1907/2006, including Annex XVII and candidate list

Registration, evaluation, authorization and restriction of chemicals

RoHS Directive 2011/65/EU

Restriction of use of certain hazardous substances in electrical and electronic equipment

Note that a few "buy on demand" articles contain more than 0,1 % lead and information on this can be found on our Webshop.

POPs regulation (EC No 2019/1021)

Bans or restricts the use of persistent organic pollutants in both chemical Products and articles.

The above mentioned directives restrict the use and presence of certain hazardous substances in all kind of products placed on the European Union market.

Arvid Nilsson is committed to comply with REACH including compliance with Annex XVII, RoHS Directives to deliver products into the EU which are compliant with national implementing legislation no later than or even prior to the respective effective dates in each Member State. We assure this through the signing of a business agreements with our suppliers, where issues and demands in relation to product quality, environmental matters as well as work related matters are described and the implementation of our demands are followed up and verified through supplier visits.

Therefore Arvid Nilsson hereby declares that all of our products appearing in catalogue and in stock are in compliance with REACH au RoHS directives listed above and that Arvid Nilsson is pursuing a cleaner environment through substitution of hazardous substances.

Any question in relation to the above mentioned directives can be forwarded to our local sales office.
